CLASS DESCRIPTIONS

Aging Athlete

This class is geared for ages 40+. You will work to improve joint mobility and range of motion as well as overall strength and conditioning which are key to performing normal daily activities.

Barre Fusion

Barre workouts are a fusion of yoga, Pilates, strength training, and core. Barre classes incorporate movement patterns to the beat of the music that target all muscle groups. Barre is a fun way to help improve strength, balance, flexibility and posture.

Boot Camp

A boot camp style workout with medium intensity using dumbbells, kettle bells and other bodyweight exercises to get your heart rate up and muscles pumping.

Boxing

Want to learn the fundamentals of boxing or just get some great fitness in? Jeni is a level 2 BNBA certified Boxing Coach and will help take your fitness to the next level. Boxing is a great cardio workout and helps to decrease stress. All levels welcome.

Cycling

This high-energy cardiovascular workout uses various performance levels and speeds to get you cycle fit.

Functional Fitness

A revolutionary total-body fitness program that uses gravity against your own body weight to simultaneously develop strength, balance, flexibility, and core stability.

HIIT and Burn

A fast-paced, high-energy 30-minute workout that combines HIIT and strength training to maximize calorie burn and build full-body strength. Expect explosive movements, short recovery periods, and a mix of bodyweight and resistance exercises to boost endurance and lean muscle. Perfect for all fitness levels. Modifications provided!

Kettlebell Fundamentals

Learn the fundamental movements for full-body strength and mobility from a Certified Master KB Trainer – from one arm swings to the goblet squat, it's a challenging and fun workout! All fitness and experience levels welcome!

Mat Pilates

A high-intensity, low-impact workout that combines Pilates principles with interval training, often incorporating weights and resistance bands. The class focuses on core strength, muscle toning, balance, and flexibility, providing a challenging full-body workout suitable for all fitness levels.

Pilates Fusion

Pilates Fusion with Rachel P Improve your posture, balance, core strength and flexibility with this cardio style workout that adds length to your muscles and fine-tunes your strength. You will get stronger from the inside out!

Step - Intermediate

Keep your heart pumping with this cardio workout using the step. Intermediate choreography provides serious leg training and fun!

Stretch

Increase flexibility, ease tension, and improve joint health with certified CIRCL Mobility™ instructor or our trainer with 600+ hours of assisted stretching experience. Each session combines proven mobility techniques and guided stretches to help you move and feel better.

Surge

60% Cardio, 40% Strength, 100% Worth it! Surge is a circuit-style HIIT class, perfect for all fitness levels. Combining high-intensity cardio burst with weights to burn calories while building lean muscle. Each session is structured to maximize results by blending intense efforts with short recovery breaks.

Total Body Strength

Strength training that is focused on endurance by lifting light to moderate weight for higher reps. Challenge every major muscle group in this low impact strength class for beginners to advanced participants.

Yoga Level 1

A beginner-friendly class focused on foundational yoga poses, breathing techniques, and proper alignment. Perfect for those new to yoga or looking to refresh their basics in a supportive, slower-paced environment.

Yoga Level 2

An intermediate class that builds on foundational skills with more challenging poses, deeper stretches, and flowing sequences. Designed for students comfortable with basic yoga and seeking to expand strength, flexibility, and mindfulness.

Zumba®

Join our high-energy Zumba class for a fun, full-body workout! Dance to upbeat Latin-inspired music, burn calories, and boost your mood in a supportive environment. No experience needed — just bring your energy and let's groove!
